

## What do you do at Open House Playgroup?

The program is semi-structured for babies to five year olds. The first and most important thing for you to do is supervise and interact with your child. The children will be involved in a range of activities such as:

- Imaginative play
- Play dough
- Painting
- Craft activities

Please bring a healthy snack and drink with you. On Tuesday and Wednesday we have a snack table set up for a morning tea break whenever you please. On Thursday sessions we stop and have snack together. We do not encourage sharing of snacks and please do not bring in any nuts.
